Dear Friend:

For as long as there has been a Bob Jones University, there has been an annual Bible Conference.

It is a week when all other activities are set aside for the concentrated preaching of God's Word. It is a time of reviving, a time to "be still and know that I am God." The special speakers who will be with us this year are men in whose spiritual integrity we have confidence and whose walk with God complements their "talk." We don't believe we should ask our students or friends to sit and listen to any other kind of man.

The conference will be Heaven-sent, and it would please us greatly to have parents of present and former students, graduates, and other friends of the University join us for as much of the conference as possible.

Those everywhere who love the Lord will love this conference because the Lord is magnified. It is not a show of vain glory. It is not a time for the grinding of axes. Only the Holy Spirit tells the preachers what to preach, and we just come and wait before the Lord for the dew which is from Heaven.

If you feel your soul is dry and parched, if you need to be reminded that the Lord is gracious, come and partake of these blessings with us. We look forward to seeing you.

May the Lord bless you.

Sincerely,

Bob Jones III  
President
